FARRIER'S HOOF SEALANT™ II

SBS Equine

SHOE BOND SYSTEMS, INC.

WORLD'S STRONGEST PROTECTION !

Guaranteed !

Uses: Protects the hoof wall against abrasion, toe cracks, and chipping. Reinforces clinches, and web seals cracks & nail holes. Eliminates pathways of infection.

How it works: Over 6 million clear nylon fibers web seal over cracks, nail holes, and reinforce clinches which help prevent thrown shoes. Nothing protects the hoof wall better. One coat lasts about two weeks.

Directions: SHAKE WELL before each use. Apply to clean dry hoof. Apply along the toe and over cracks, nail holes, and clinches. Allow to dry before applying additional coats if needed. Farrier's Hoof Sealant can be top coated with your favorite black or clear hoof polish for shows or after grooming.

Caution: Contains combustible solvents. Apply in well ventilated area. Avoid contact with eyes. Harmful if swallowed.

8 fl. oz. (236 mL)
