

## UP TO A 53-DAY SUPPLY

**Jeffers Mega-Horse** is more than just a supplemental source of calories and fat needed to increase weight. The unique formulation of Mega-Horse provides support for a horses digestive system. The overall integrity of a horses digestive system affects its ability to gain and maintain optimal weight. The live yeast culture Yea-Sacc®1026 (saccharomyces cerevisiae) and the Lacto-Mos™ (lactic acid bacteria) in Weight-UP increases in number and activity of the good bacteria in a horses digestive system. This stimulation helps horses absorb and use more of the nutrients in their feed.

**INDICATIONS:** To increase calorie intake for weight gain and weight maintenance. Regular use of Mega-Horse improves skin and coat appearance. Benefits achieved when supplementing Mega-Horse include; increased weight gain, improved digestion and increased energy. **DIRECTIONS FOR USE:** Mega-Horse may be provided at a rate of 3 to 4 1/2 ounces per day. The enclosed scoop measures approximately 1 1/2 ounces. The amount and frequency may be varied depending on the horses activity level.

**JEFFERS**™  
NATURAL WEIGHT SUPPLEMENT

*Omega 3 fatty Acid, Live Yeast Cultures, Lactic Acid Bacteria. No animal fat*

NET CONTENTS: 10 pounds (4530 Gm)

### GUARANTEED ANALYSIS:

Crude Protein (min) 14%, Crude Fat (min) 40%, Crude Fiber (max) 11%, Omega 3 Fatty Acid (min) 5%, Saccharomyces cerevisiae 169.8x10(7)CFU/lb, Total Lactic Acid Bacteria 33.96x10(6) CFU/lb

### INGREDIENTS:

Flax Seed Meal, Stabilized Rice Bran, Brewers Dried Yeast, Saccharomyces Cerevisiae fermentation solubles, Lactobacillus Acidophilus fermentation product, Lactobacillus Casei fermentation product, Enterococcus Faecium fermentation product, Bifidobacterium Longum fermentation product, Aspergillus Oryzae fermentation extract, Vegetable Fat, Calcium Carbonate, L-Lysine, Vitamin E supplement, Ascorbic Acid, Chromium supplement

FOR ANIMAL USE ONLY.

KEEP OUT OF THE REACH OF CHILDREN.  
Keep sealed and store in a cool, dry place.
