**Not recognized as an essential equine nutrient*

Ingredients:

Water, Sorbitol, Glycine, L-Glutamine, L-Proline, Condensed Extracted Glutamic Acid Fermentation Products, Pyridoxine Hydrochloride, Manganese Sulfate, Ascorbic Acid, Copper Sulfate, Sulfur, L-Arginine, L-Threonine, L-Tyrosine, Animal Protein Products, Gelatin, L-Lysine, DL-Methionine, L-Serine, L-Valine, L-Phenylalanine, L-Histidine, L-Isoleucine, Aspartic Acid, L-Alanine, Xanthan Gum (Homogenizing Agent), Sodium Benzoate (a preservative), Yucca Schidigera Extract (a natural flavoring agent), Natural and Artificial Flavors.

Directions:

Adult Horses: For an average 1,100 lb (500 kg) horse, feed 1 fl oz (30 ml) daily with the horse's regular feed or give orally. **Loading Period:** Feed double amounts for the first 5 consecutive days. Feed others according to body weight, less for smaller horses and ponies, more for larger breeds.

Warnings:

Do Not Feed to Cattle or Other Ruminants – Keep Out of Reach of Children

Storage:

Store in a cool, dry place – Shake well before using – Protect from freezing

Do Not Use if seal is damaged or missing
