

Sav-A-Chick™

Electrolyte & Vitamin Supplement

Concentrated poultry electrolyte and vitamin supplement for use in drinking water for all domestic poultry.

FEATURES AND BENEFITS

Ideal for the casual poultry raiser

Pre-measured packets

- Convenient, assures proper dosage
- Handy, single-use packets keep the product fresh

Optimal quantity for 1 to 10 birds

- Each packet yields 1 gallon of electrolyte solution

Formulated specifically for poultry

- Chickens, ducks, turkeys, other domestic poultry and waterfowl
- Offer to chicks and adult birds

DIRECTIONS FOR USE

Mix 1 individual packet of dry electrolyte powder into 1 gallon of clean, cool water. Offer the mixed solution for 1 to 5 days during hot weather or other stress.

Important: Make fresh solution daily.

Sav-A-Chick™ electrolyte packets are sold as a 3-pack strip and packaged in a display box that holds 20, 3-pack strips.

Please use product code 01-7451-0202 when ordering.
