Description:

Original M-T-G is the single solution for: Fungus, Rain Rot, Girth Itch, Scratches, Dermatitis, Tail Rubbing, Short or Thin Tail, Conditioning, Lengthening, Dry Skin. The ultimate mane and tail conditioner, skin and fungus treatment and hair growth producer.

Directions:

Turn bottle upside down and shake vigorously. Contents must be thoroughly mixed. As normal precaution, pretest unaffected area for sensitivity for first time use. Wash out any other prior products used. During use, keep out of intense sun to prevent sunburn.

Treatment for Fungus, Rainrot, Girth Itch, Scratches, Dandruff and Tail Rubbing: Apply directly to affected area and massage in. Leave on—do not rinse! Apply daily until significant hair growth occurs, fungus disappears or problem is eliminated. For best results, continue M-T-G use weekly. Washes out with Hi Shine Shampoo.

Conditioner for Mane and Tail, Treatment for Detangling and Mane and Tail Growth: Use as a leave-in conditioner twice a week. Massage in mane/tail including base of mane and entire tail bone. Does not need to be washed out between applications. For best results, braid tail and contain in tail bag. Wash out with Hi Shine Shampoo prior to showing.

As a Dermatitis Treatment: Apply M-T-G directly to the affected area and massage in. Do not wash out. Reapply daily until all visible signs of problem are eliminated. To ensure complete treatment, decrease applications to 3 times a week, then 2 times a week, then once a week for the next month.
