

Flex-Force™ 99.9% Pure MSM

Corta-Flx, Inc.

Indications:

A Nutritional Source of Bio-available Sulfur.

Active Ingredient:

Each Ounce Contains:

Methylsulfonylmethane (MSM)-----28,350 mg

Directions:

For an average 1,100 lb horse, feed 1 measure (10,00 mg) daily with the horse`s regular feed or as directed by your veterinarian. Feed others according to body weight, less for ponies and smaller horses, more for larger breeds. Caution: As with all food supplements, consult your veterinarian before starting any supplement program.

Precautions:

Keep out of reach of children. For equine use only. Do not feed to other animals intended for human consumption.

Storage:

Close container after each use. Store in a cool, dry place. Do not use if seal is torn or missing.
