

MARMOSET DIET CANNED

Formulated to be fed as the basic diet for all Marmosets and Tamarins, such as Common Marmosets, Pygmy Marmosets, Golden Lion Tamarins, Cotton-top Tamarins, White-lipped Tamarins and others.

FEEDING INSTRUCTIONS

A supplemental diet source of Vitamin C, such as ½ to 1 orange per week per animal, must be fed in addition to this diet. Feed this diet free choice to non-obese prone animals. Most Marmosets will eat 1-2 ounces of food daily. Food consumption may vary between animals. Not for human consumption.

STORAGE INSTRUCTIONS

Cover and refrigerate the unused portion. Serve at room temperature. Not for human consumption.

100% GUARANTEE

If you are not completely satisfied, return the unused portion of this product to ZuPreem along with the sales receipt for a refund.
