**Valued California Customers** As of August 31, 2018, we have been forced to comply with the California Prop 65 Law. This California Law states- any product or product packaging, produced after August 31, 2018, and offered to residents of California, that contain any one of the chemicals found by the state of California to possibly cause health concerns, be posted with a California Prop 65 Warning Label. To immediately comply with this California Law, we are working diligently with our suppliers to identify all products that contain chemicals as defined by California Prop 65. Some of the products may be temporarily unavailable to ship to California until the product or product packaging has the warning label or identified as unaffacted by Prop 65. This Law does not affect products manufactured before August 31, 2018.

- 2nd-Day Air your vaccines for an additional \$18.95

As part of its community outreach, Jeffers is proud to support the **Morris Animal Foundation**

Established in 1948 this public, non-profit organization, improves the health & well-being of companion animals & wildlife by funding humane studies of serious animal diseases. For every dollar contributed, Jeffers will match it. Will you join Jeffers' outreach program to make a difference in animal health? For more information about the Morris Animal Foundation, visit their web site at: [www.morrisanimalfoundation.org](http://www.morrisanimalfoundation.org)
